SAFETY FIRST!

STATION SPONSOR CHECK LIST

Please make sure that shooters keep their barrels cracked or breaches open at all times! Eye and ear protection must be worn!

Only one pair is supposed to be shown before shooting. Each clay thrown costs the Tournament 50 cents!

Load your gun only when you are in the station, and only 2 shells!

Make sure gun is empty before you leave the station, with barrels cracked and breaches open.

If you have a jam or a shell that will not eject, do not let them leave the station! If you are unable to clear the shell, ask for assistance. Keep the barrel pointed down range while working to clear the jam. You will not be allowed to leave the station without actions cleared.

If any repairs or reloading of machines are needed, open actions and remove shells until the range is clear.

Use your discretion on malfunctions; however, only one per shooter.

A "broken bird" is when you see a chip come off- not orange dust. If there is a question on the call, ask if anyone else saw something you didn't, and use your discretion. You are the final judge, so please watch carefully.

SHOOTERS PLEASE BE COURTEOUS OF OTHER SHOOTERS

Remember, this is intended to be a fun shoot and a fund raiser for scholarships. If you are having problems with your gun, borrow a gun from another shooter to finish the station, so we can keep the people moving. If you have any questions, contact one of the committee members on the field, or the field marshal.

THANK YOU!SPORTING CLAY COMMITTEE
