Fellow Golfer,

The API Delta Chapter will be holding its annual Golf Tournament on **September 17, 2010**, at the **Covington Country Club** in Covington, LA.

Our annual golf tournament is one of the main membership drives and fund-raising functions for the Delta Chapter. Proceeds from the tournament are used to support API Delta Chapter activities and programs, awards, scholarships and the ongoing promotion of the Petroleum Industry in local schools and universities. Through your generosity and participation our Chapter has contributed over \$275,000 toward these programs since 1971.

API Delta Chapter provides ongoing support and funding for the following programs:

- Scholarships (\$21,000 in 2010) for local high school graduates and college students supporting industry related degrees.
- The Louisiana Children's Museum where API Delta sponsors the Energy Exhibit.
- Mini Grants program to teachers, designed to help fund the purchase of supplies and teaching equipment.
- The Energy projects division of the Greater New Orleans Science & Engineering Fair was started by our Chapter. Monetary awards recognize students with winning science projects in the energy category, along with their teachers and schools.
- The annual API Meritorious Service Award which recognizes local individuals for their outstanding service and leadership in the oil and gas industry and community service.

The Tournament will be limited to the first 224 golfers (112 each in the morning and afternoon).

I hope you and your company can support these efforts by first putting a team together and coming out and joining us for a day of fellowship and golf and secondly by becoming a sponsor. Both a sponsorship flyer and registration form is attached.

We look forward to seeing you at this year's Golf Tournament and thank you in advance for your generous support.

Click on www.api-delta.org for tournament information.

Sincerely,

Steve Freeman
2010 Golf Tournament Chairman
